Course Syllabus

Course Description
This foundation level course introduces students to the principles of 2D design and how the role of past and present media communication is influenced by core design concepts. Students will develop, discuss, and defend visual communication strategies within the context of past and present design successes and failures. Through weekly studio based projects and critiques, students will create, analyze, and evaluate original compositions based on their understanding of topics that include color theory, Gestalt principles, line, pattern, and balance.

Course Objectives

- Discuss and interpret the role and impact of past and present media communication strategies
- Visualize and execute effective composition through the integration of core design concepts
- Identify and describe design principles as they relate to print, web, video and social construct
- Critique the effectiveness and ineffectiveness of design, their messages and the role of the viewer
- Practice serious play and curiosity

If you choose to not purchase the pre made kit then you can purchase the required materials thru the resources listed below.
Click on each item to see an option. You do not need to purchase from the provided site. Use it as reference if you're not familiar with the materials. Below the list are links to other local resources. You DO NOT need to go out and get everything immediately. Start with the bristol board, black and white paper, blades, adhesive and the stencil shapes! You won't need the paints and brushes until much later in the semester!!

2 pads of 9\" x 12\" Bristol board
Black, White paper and assorted colors paper (you will need more black and white than is available in this pack)
Scissors or Xacto knife w/ plenty of fresh blades
Cutting surface (this is optional....usually I just use an old magazine headed for the recycling bin!)
Spray mount or rubber cement (something that will allow you to reposition your cut outs easily)
black India ink or gouache
Set of basic primary acrylics or gouache colors
Assorted brushes good for ink and acrylics
Various stencil shapes

All of these materials are available at local Arts & Crafts stores as well as online. The links provided above are to a resource I've used and trusted since I was in art school a million years ago but you are welcome to purchase materials wherever suits you!

Other local resources:

Michael's

AC Moore (they ALWAYS have a coupon or two that you can print and bring in! Every bit counts!)

The Art Mart

Walmart and Target have some limited choices for basic art supplies as well.

Make sure you bring your student ID. I believe a few of these stores offer student discounts. Also consider buying bulk or sharing materials with a class mate or two. Another way to save!

Student Evaluation and Grading

Student's work will be evaluated on their knowledge and practice of the on line resources, reading, quizzes and design projects; contribution to class discussion and the quality of production skills (this
includes technical and aesthetic concerns.) In addition, grading and evaluation will include attention to deadlines and requirements specific to the assignments.

Spelling and grammar count throughout all the components of this course: quizzes, exams, projects, discussion board postings.

**Grading Scale (as stated in college handbook)**

- 93-100 : A
- 90-92 : A-
- 87-89 : B+
- 83-86 : B
- 80-82 : B-
- 77-79 : C+
- 73-76 : C
- 70-72 : C-
- 67-69 : D+
- 60-66 : D
- 0-59 : F

**Grading Criteria**

Midterm and Final grades will be based on a scale of 100. The requirements for each project and in class exercise will be broken down and explained in greater detail when the project is assigned. Your grades will be based on how well you fulfill the technical and aesthetic requirements.

**Attendance & Missed/Late Work Policy**
You are required, as stated in the college handbook, to attend all classes. If you miss 3 consecutive classes your grade will become an AF and the date of your last attendance will be reported. Participation and Attendance is part of your overall grade. If you miss 3 or more nonconsecutive classes, excused or unexcused, then consequences will be at the professor's discretion. Work submitted late will be graded on a reduced point value scale; after 2 weeks work will not be accepted. If class is cancelled due to faculty or storm cancellation then alternate course and/or studio time will be made available. This may be via online instruction or additional in studio availability.

Early Warning Progress Report

At week 5, student progress will be assessed on the basis of attendance, submitted work and participation. If you are assessed at an "unsatisfactory" level, you, your advisor, and your department chair will receive a letter regarding your progress. You will be required to meet with your professor and also your advisor so that you can better prepare yourself for the remainder of the semester.

End-of-Course Evaluation

Students complete evaluations for each course attended at SMCC. Evaluations are submitted online and can be accessed through the student portal. Students can access the course evaluations beginning one week before the end of classes. The deadline for submission of evaluations occurs Monday at 5 PM following the last day of the class. You will receive an email to your student email account when course evaluations are available.

ADA Syllabus Statement

Southern Maine Community College is an equal opportunity/affirmative action institution and employer. For more information, please call 207-741-5798. If you have a disabling condition and wish to request accommodations in order to have reasonable access to the programs and services offered by SMCC, you must register with the Disability Services Coordinator, Sandra Lynham, who can be reached at 741-5923. Further information about services for students with disabilities and the accommodation process is available upon request at this number. Course policies about online testing are modified to suit each individual's accommodations.

SMCC Pay-for-Print Policy

Per Page Costs
Each semester students receive a $20 printing credit. The balance resets at the end of the semester and any remaining credits are removed. The cost varies depending upon page size and whether printing is done in black and white or color.

a. There is a $0.10 per page fee for standard 8.5" by 11" black and white documents.

b. The reverse sides of duplex (double-sided) documents are free.

c. There is a $.50 per page fee for standard 8.5" by 11" color documents.

d. There is a $.20 per page fee for 8.5" by 14" (legal) or 11" by 17" (tabloid) black and white documents.

e. There is a $1.00 per page fee for 8.5" by 14" (legal) or 11" by 17" (tabloid) color documents.

Duplex charges (printing on both sides of a page) work in the following fashion: One page is $0.10, two pages are $0.10, three pages are $0.20, and four pages are $0.20, etc. The flipsides are free, but another sheet of paper is $0.10. Please be aware that a document with any color at all (when printed to a color printer) will by default be printed in color. You are responsible for setting the print job to print black and white if you do not need color. For directions, please go to the IT Help tab in My SMCC.

**How does it work?**
The College’s pay-for-print system monitors printing on all printers (including those in general access labs, library printers, the Academic Achievement Center, Noisy Lounge and technology labs). Students can check the number of pages they have printed by using the Printing Balance tool available on SMCC computers (located in the lower right corner of the screen, near the clock). Departments with work study students who need to print documents for the department should contact the Help Desk at 741-5696 to have a special account set up.

**Refunds**
Print jobs are eligible for a refund in the event of mechanical or electronic error on the part of the printer, print server, or software used to submit the job. Jobs are not eligible for a refund in cases where the job was not set up correctly, was submitted multiple times, or the student is not satisfied with the result. To request a refund, please bring the offending print to the IT Department in the basement of the Ross Technology Center. Refunds will be granted in the form of a credit to the student’s account.

**Why is SMCC charging for printing?**
The pay-for-print system is an effort to control escalating printing costs. Charging for printing helps offset the increasing cost of supplies and encourages students to conserve resources. To find ways to reduce your printing charges, please go to the IT Help tab on My SMCC. If you have questions about the pay-for-printing policy or your printing charges, please contact the Help Desk at 741-5696 or send an email to helpdesk@smccme.edu.

Be sure to log OUT of the system when you’ve finished your printing, to prevent unauthorized access to your account.
Add-Drop Policy
Students who drop a course during the one-week “add/drop” period in the fall and spring semesters and the first three days of summer sessions receive a 100% refund of the tuition and associated fees for that course. Please note any course that meets for less than the traditional semester length, i.e., 15 weeks, has a pro-rated add/drop period. There is no refund for non-attendance.

Withdrawal Policy
A student may withdraw from a course only during the semester in which s/he is registered for that course. The withdrawal period is the second through twelfth week of the fall and spring semesters and the second through ninth week of twelve-week summer courses. This period is pro-rated for shorter-length courses. To withdraw from a course, a student must complete and submit the appropriate course withdrawal form, available at the Enrollment Service Center (no phone calls, please). The designation “W” will appear on the transcript after a student has officially withdrawn. A course withdrawal is an uncompleted course and may adversely affect financial aid eligibility. Failure to attend or ceasing to attend class does not constitute withdrawal from the course. There is no refund associated with a withdrawal.

Plagiarism Statement
Adherence to ethical academic standards is obligatory. Cheating is a serious offense, whether it consists of taking credit for work done by another person or doing work for which another person will receive credit. Taking and using the ideas or writings of another person without clearly and fully crediting the source is plagiarism and violates the academic code as well as the Student Code of Conduct. If it is suspected that a student in any course in which s/he is enrolled has knowingly committed such a violation, the faculty member should refer the matter to the College’s Disciplinary Officer and appropriate action will be taken under the Student Code of Conduct. Sanctions may include suspension from the course and a failing grade in the course. Students have the right to appeal these actions to the Disciplinary Committee under the terms outlined in the Student Code of Conduct.
