

Southern Maine Community College

Course Title: Website Production
Catalog Number: CNMS 165 01
Credit Hours: 3
Contact Hour: 45

Instructor: Richard Reynolds
Email: rreynolds@smccme.edu
Appointments: Before and After Class

Course Description This is an intermediate level course designed to provide students with the basic skills to author HTML web pages. Students will learn to code HTML, incorporate images into web pages and embed various types of media. All aspects of authoring with CSS3 will be covered including formatting, design and layout, using Adobe Dreamweaver. In addition, an overview of Adobe Photoshop as it relates to web design will be introduced.

Course Objectives: As a result of this course the student will be able to:

- Effectively use an industry standard web page editing program, Adobe Dreamweaver.
- Edit, crop, resize, and adjust photographic and digitally generated images for the web.
- Work with various files such as cascading style sheets and HTML documents.
- Integrate various web technologies such as JavaScript, and CSS into a working, online website.
- Develop several website interfaces.
- Work with File Transfer Protocol.

Course Requirements

Midterm 20%
Final Exam 20%
Quizzes 10%
Projects 40%
Attendance 10%

Academic Dishonesty If an instructor suspects that a student has knowingly committed a violation defined in the Maine Community College System Policy on Student Grade Appeals and Academic Misconduct, the instructor has the authority to review the alleged misconduct and determine the grade that the student should receive for the assignment and the course. The instructor may assign a failing grade for the assignment or course and may require the student to complete additional work for the course. The instructor may consult with the department chair and/or the College's chief academic officer prior to making such decisions. If a student seeks to challenge an instructor's determination, the student should submit a grade appeal. Grade appeal forms are available in the Advising Office on the South Portland Campus or in the administrative offices in the Learning Commons on the Midcoast Campus. An instructor may also refer the matter to the College's disciplinary officer for review under the procedures of the MCCS Student Code of Conduct.

Attendance & Missed/Late Work Policy You are required, as stated in the college handbook, to attend all classes. A portion of your grade is determined by your attendance and active participation. Points will be deducted for unexcused absences. Excused absences must be documented with doctor's notes or other official form of notification. Three (3) consecutive unexcused absences will result in a reporting of your "Last Date of Attendance" which will show up as an AF (automatic failure). Four (4) total absences (consecutive or otherwise) will also result in an AF grade. Student Evaluation and Grading All project work will be assessed based on the student's achievement of stated objectives. Each assignment handout includes a detailed rubric. Please ask questions if anything is not perfectly clear.
