

Honors Designations at Commencement

Recognition	Requirement	Designation
Honors	3.5000 GPA or better	Noted on card to be read
High Honors	3.7500 GPA or better	Noted on card to be read/ Gold tassel for cap
Highest GPA in Degree Program	3.5000 GPA or better/ Highest GPA of all graduates from program that academic year	Noted on card to be read/ Gold cord
Phi Theta Kappa	3.5000 GPA or better (sustained)/acceptance and induction into PTK	Noted on card to be read/ Option to purchase PTK stole/ Notation in commencement program/gold seal for diploma

To be eligible for honors designation or awards, students must have completed their degree or be on track to complete all degree requirements before commencement. Eligibility for honor cords and tassels representing these designations will be made based on your reported grades, which may not include the spring semester as all of those course grades may not yet be reported at the time of the graduation ceremony. Any changes that occur as a result of spring grade reporting will be reflected on the graduates' final transcripts.
