Course Syllabus – Introduction to Narrative Cinema, CNMS - 251
Class Meeting Schedule: Tuesday 9:30AM - 12:15PM
January 19, 2016 - May 10, 2016

Course Description & Objectives:

This course explores the art of storytelling and the role of the hero in the history of film in American cinema. Starting with the *Great Train Robbery* in 1903 on up to current cinema, we will watch a variety of landmark films by American directors. The films are selected based on the impact they had on film history and American culture. We will focus on defining the art of cinema as well as the evolution of the Hero in American film. Influences of world cinema will be presented. Discussions and readings will explore how a story is told in film by bringing together plot, character, visual design, camera technique, along with music and sound to create the magic of movies. The competing forces of the director's desire to create art and the pressures of commercial success at the box office will be analyzed. Assignments include weekly essays on the films viewed and readings. The final project will be a research paper that uses critical analysis of a director, movie, type of character, actor, or genre.

Assignments:

All assignments are due at the start of the following class and will be given each week. There will be written assignments and oral presentation assignments. Your participation in class is an important component in determining your grade. Each week there will be time devoted to discussion on the subject at hand and each week you will need to be prepared to present all or a portion of your written assignment or oral presentation to the class. **Be aware that you must check your SMCC e-mail account weekly for course updates. Bring a laptop or tablet to class, if available.**

Format

Written assignments should be printed on 8.5x11 inch typed page, double spaced in 12 point font, with your name and date due at the top of the page. No discs please. You must keep a copy (digital or paper) of your written assignments and notes for oral presentations for reference use during the semester

Course Policies Attendance:

You are required, as stated in the college handbook, to attend all classes. A portion of your grade is determined by your attendance and active participation in class. Points will be deducted for unexcused absences, tardiness, or leaving class early. It is SMCC policy that if you have 3 consecutive unexcused absences then you receive an Administrative Failure which is reported to the dean of the college. I want all of you to do well in this class. If you are having problems keeping up with the class and the assignments, please talk to me so we can develop a plan that works for you. This syllabus is subject to change.

Plagiarism Statement

If an instructor suspects that a student has knowingly committed a violation defined in the Maine Community College System Policy on Student Grade Appeals and Academic Misconduct, the instructor has the authority to review the alleged misconduct and determine the grade that the student should receive for the assignment and the course. The instructor may assign a failing grade for the assignment or course and may require the student to complete additional work for the course. The instructor may consult with the department chair and/or the College's chief academic officer prior to making such decisions. If a student seeks to challenge an instructor's determination, the student should submit a grade appeal. Grade appeal forms are available in the Advising Office on the South Portland Campus or in the administrative offices in the Learning Commons on the Midcoast Campus. An instructor may also refer the matter to the College's disciplinary officer for review under the procedures of the MCCS Student Code of Conduct.

End-of-Course Evaluation

Students complete evaluations for each course attended at SMCC. Evaluations are submitted online and can be accessed through the student portal. Students can access the course evaluations beginning one week before the end of classes. The deadline for submission of evaluations occurs Monday at 5 PM following the last day of the class.

You will receive an email to your student email account when course evaluations are available.

Add-Drop Policy

Students who drop a course during the one-week "add/drop" period in the fall and spring semesters and the first three days of summer sessions receive a 100% refund of the tuition and associated fees for that course. Please note any course that meets for less than the traditional semester length, i.e., 15 weeks, has a pro-rated add/drop period. There is no refund for non-attendance.

Withdrawal Policy

A student may withdraw from a course only during the semester in which s/he is registered for that course. The withdrawal period is the second through twelfth week of the fall and spring semesters and the second through ninth week of twelve-week summer courses. This period is pro-rated for shorter-length courses. To withdraw from a course, a student must complete and submit the appropriate course withdrawal form, available at the Enrollment Service Center (no phone calls, please). The designation "W" will appear on the transcript after a student has officially withdrawn. A course withdrawal is an uncompleted course and may adversely affect financial aid eligibility. Failure to attend or ceasing to attend class does not constitute withdrawal from the course. There is no refund associated with a withdrawal.

SMCC Pay-for-Print Policy

Per Page Costs

Each semester students receive a \$20 printing credit. The balance resets at the end of the semester and any remaining credits are removed. The cost varies depending upon page size and whether printing is done in black and white or color.

- a. There is a \$0.10 per page fee for standard 8.5" by 11" black and white documents.
- b. The reverse sides of duplex (double-sided) documents are free.
- c. There is a \$.50 per page fee for standard 8.5" by 11" color documents.
- d. There is a \$.20 per page fee for 8.5" by 14" (legal) or 11" by 17" (tabloid) black and white documents.
- e. There is a \$1.00 per page fee for 8.5" by 14" (legal) or 11" by 17" (tabloid) color documents.

Duplex charges (printing on both sides of a page) work in the following fashion: One page is \$0.10, two pages are \$0.10, three pages are \$0.20, and four pages are \$0.20, etc. The flipsides are free, but another sheet of paper is \$0.10. Please be aware that a document with any color at all (when printed to a color printer) will by default be printed in color. You are responsible for setting the print job to print black and white if you do not need color. For directions, please go to the IT Help tab in My SMCC.

How does it work?

The College's pay-for-print system monitors printing on all printers (including those in general access labs, library printers, the Academic Achievement Center, Noisy Lounge and technology labs). Students can check the number of pages they have printed by using the Printing Balance tool available on SMCC computers (located in the lower right corner of the screen, near the clock). Departments with work study students who need to print documents for the department should contact the Help Desk at 741-5696 to have a special account set up.

Refunds

Print jobs are eligible for a refund in the event of mechanical or electronic error on the part of the printer, print server, or software used to submit the job. Jobs are not eligible for a refund in cases where the job was not set up correctly, was submitted multiple times, or the student is not satisfied with the result. To request a refund, please bring the offending print to the IT Department in the basement of the Ross Technology Center. Refunds will be granted in the form of a credit to the student's account.

Why is SMCC charging for printing?

The pay-for-print system is an effort to control escalating printing costs. Charging for printing helps offset the increasing cost of supplies and encourages students to conserve resources. To find ways to reduce your printing charges, please go to the IT Help tab on My SMCC. If you have questions about the pay-for-printing policy or your printing charges, please contact the Help Desk at 741-5696 or send an email to helpdesk@smccme.edu.

Be sure to log OUT of the system when you've finished your printing, to prevent unauthorized access to your account.
