

# Uniform & Materials

## SMCC Nursing Program

The SMCC Nursing uniform is to be worn in all clinical settings. It consists of a scrub top and pants in the designated color, Caribbean Blue. Students are required to have the SMCC patch sewn to the upper-left sleeve of the uniform, and they must wear their school name pin at chest level. No sweaters or hooded tops of any kind are permitted.

### Uniform Components

#### Name Pin

- Available to purchase from [Wear's Bonnie](#) or [Crown Marking](#).
- 2-line pin – white background with Caribbean Blue lettering

#### Patches

- The SMCC Nursing Patch needs to be visibly displayed on the upper left sleeve of any scrub tops, scrub jackets, or lab coats.
- You will need a patch for each top that you wear.
- Patches are purchasable at [Wear's Bonnie](#), [Crown Marking](#), or the [SMCC Bookstore](#).

#### Scrub Top & Pants

- Must be Caribbean Blue, but can be any style within our requirements
- Scrub tops should not have hoods
- Pants must cover your entire leg
- If purchasing underscrubs, they should be black, white, or Caribbean Blue

#### White Lab Coat

- Cannot be longer than hip length

#### Shoes & Socks

- Must be neutral in color, clean, and in good repair
- Black, white, gray, navy, etc. are acceptable; please avoid bright or garish colors.

### Materials

#### Medical Safety Glasses

- Either glasses or goggle type, but must seal around the top and sides of face
- If you wear eyeglasses, your safety glasses/goggles must be able to fit over them.

#### Watch

- Must have a second hand
- Can be digital if seconds are counted visibly

#### Stethoscope

- This does not need to be the most expensive model; there are many available within the \$30-\$45 price range.
- If you are hearing impaired, please reach out for consultation.

#### Laptop Computer

- Must be Mac or PC; Chromebooks are not compatible with all software we use.

#### Bandage Scissors

#### 1" Binder
