SMCC FACTBOOK

Published August 2018

A Brief History of SMCC

Southern Maine Community College (SMCC) has grown and evolved over the years. Our mission today is to transform lives and communities through education and training, and welcome, prepare and inspire all to learn, succeed and lead.

Our role is as vital today as it was in 1946, when the College first opened under the name Maine Vocational Technical Institute (MVTI), a day school in Augusta created to serve returning World War II veterans who needed to learn new skills in a post-war economy. By 1952 MVTI and its 156 students had outgrown their space in Augusta and moved to the site of decommissioned Fort Preble, overlooking beautiful Casco Bay in South Portland. During the 1960s the name was changed to Southern Maine Vocational Technical Institute (SMVTI) and authorization was received to award Associate in Applied Science degrees.

In the late 1980s, the Maine Legislature changed the name of the state's Vocational Technical Institute System to the Maine Technical College System, and SMVTI became Southern Maine Technical College (SMTTC). Almost a decade later, in 1998, the College added an Associate in Arts degree in liberal studies to its offerings, a significant step in its evolution to a comprehensive community college.

In 2003 that transformation was complete. Gov. John Baldacci introduced legislation establishing the Maine Community College System – a move that enjoyed strong bipartisan support in the 121st Maine Legislature. The College name was changed once more, this time to Southern Maine Community College.

In 2011, SMCC expanded its effort to provide access to high quality, affordable education by opening a second campus at Brunswick Landing, home of the former Brunswick Naval Air Station. SMCC's Midcoast Campus in Brunswick offers students access to state-of-the-art classrooms and laboratories that support studies in engineering, composites, health care, business, arts and sciences and more.

Today, SMCC students come from across the state and around the globe. Whether they are seeking a degree in the trades and technologies that keep our economy humming, or the arts and sciences that offer a strong and broad educational foundation, SMCC graduates are successful employees, employers and entrepreneurs. Through more than 60 transfer agreements with colleges and universities in Maine and around the country, our students are able to continue their studies in four-year degree programs.

SMCC has come a long way from a small school in Augusta to Maine's largest community college. In the fall of 2017, we served nearly 6,000 students and offered more than 40 degree programs at our campuses in South Portland and Brunswick, satellite community centers, and online. At every step in SMCC's transformation, our College has responded to the changing world and enhanced economic and cultural development for our students and our state.

Fact Sheet

2017-2018

MISSION

SMCC transforms lives and communities through education and training. We welcome, prepare and inspire all to learn, succeed and lead.

5,972 FALL STUDENTS

\$5,557 financial aid award (AVERAGE) **3,714** students RECEIVED AID 

\$20.8 MILLION IN FINANCIAL AID

SMCC is a two-year commuter and residential college that awards associate degrees and certificates in over 40 programs in the arts, sciences and applied sciences and offers non-credit courses and workforce training.

Courses are delivered at SMCC's South Portland Campus and Midcoast Campus in Brunswick as well as at community satellite locations and online.

ACADEMIC EXCELLENCE

- 76% of full-time faculty hold a master's degree or doctorate
- Honors program
- Opportunities for scholarship
 - *Thinking Matters*: student research, scholarship, and creativity symposium
 - *Phi Theta Kappa* honor society
 - Service learning
 - *WRIT* (student literary magazine)
- SMCC graduates pursue baccalaureate degrees at Mount Holyoke College, University of Maine, University of Southern Maine, Wellesley College, and many others.

STUDENT LIFE

- Center for Student Involvement & Leadership
- Chorus
- Intercollegiate athletics and intramural recreation programs
- International and multicultural activities
- Residential housing program
- SkillsUSA
- Student government
- *The Beacon* student newspaper

TUITION

- Maine residents (full-time): \$2,760 per year
- Out-of-state residents (full-time): \$5,520 per year
- Maine residents: \$92 per credit
- Out-of-state residents: \$184 per credit
- Room & board: \$9,238 per year

Does not include fees which average \$1,000 per year.

ACADEMICS & OFFERINGS

SMCC has more than 40 academic programs in trade and technical fields, as well as in the arts and sciences, that prepare students for careers or for transfer to colleges and universities to continue their education. We offer students hands-on learning led by faculty who work in their fields and have established partnerships with businesses and community leaders.

SMCC Academic Divisions & Departments

All of SMCC's academic programs and departments are organized into 5 major divisions.

APPLIED TECHNOLOGY	ARTS & SCIENCES	BUSINESS & INFORMATION TECHNOLOGY	HEALTH SCIENCES	PUBLIC SAFETY

SMCC Locations

South Portland Campus - 2 Fort Road, South Portland, ME 04106

Our South Portland Campus is located on one of the most picturesque points on the Maine coast overlooking Casco Bay. With more than 40 degree programs and the latest technology and equipment, we have something for everyone. Outside of the classroom, students can enjoy beaches and oceanside trails, the islands of Casco Bay and all the offerings of nearby Portland.

Midcoast Campus - 29 Sewall Street, Brunswick, ME 04011

Our high-tech Midcoast Campus is located at Brunswick Landing, the former Brunswick Naval Air Station. Here, you have access to personalized services and a varied selection of in-demand programs and courses. Additionally, our Midcoast Campus offers state-of-the-art classrooms and laboratories, a residence hall, dining facilities and more.

Community Satellite Locations - Biddeford, Bonny Eagle, Casco/Naples, Gray/New Gloucester, Portland, Sacopee Valley, Windham

Whether you're working toward a degree or just looking to take a class, our community satellite locations offer affordable classes at flexible times to fit your schedule.

STUDENT PROFILE

Students come to Southern Maine Community College for many different reasons: to earn an associate degree, to start their college career affordably and transfer, to launch a new career, or to build their professional and personal skills. Our students have a broad age range with varied educational backgrounds, and come from across Maine and New England, as well as from other states and overseas.

The data in this section looks at all **credit students enrolled in the Fall of 2017**, including both degree-seeking and non-degree seeking students, unless otherwise noted.

Geographic Origin of Our Students

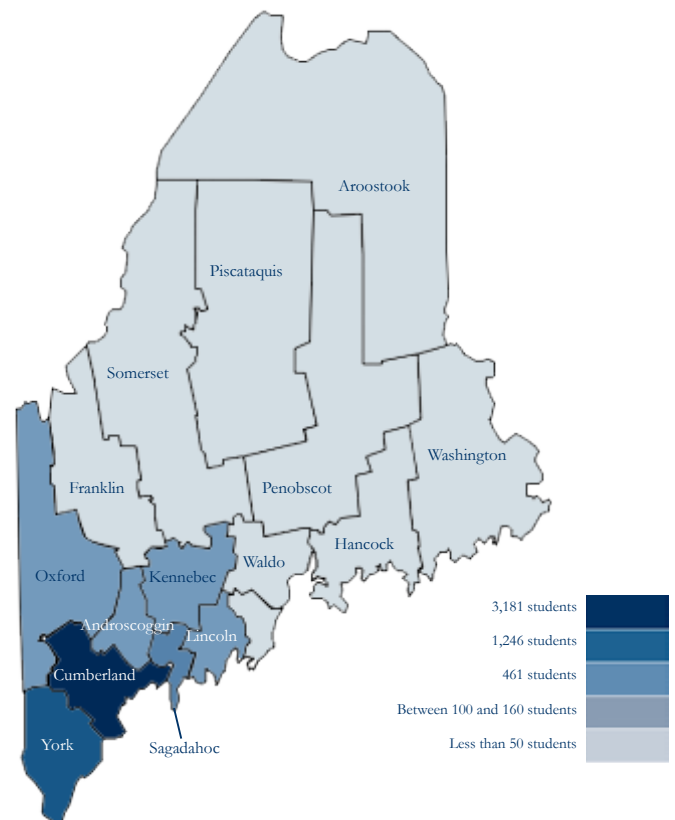

Counties in Maine Represented

County	Students	Percentage
Maine (Cumberland County)	3,181	57%
Maine (York County)	1,246	22%

Student Race & Ethnicity

Student Minority Representation

*In calculating the SMCC percentages, it is assumed that the proportions of students whose race/ethnicity is “not recorded” who are white or in a minority group are the same as the proportions of white and minority group students whose race/ethnicity is recorded.

**Percentages for Portland, Cumberland County, and Maine were obtained from the 2010 U.S. Census Data. The “white” percentages are percentages described as white and only one race. Each “Minority Group” percentage is calculated as 100% minus the corresponding “white” percentage.

Student Ages (degree-seeking)

Prior Education (degree-seeking)

Gender, Income & First Generation Students (degree-seeking)

ENROLLMENT

SMCC is Maine's largest community college with over 9,700 individuals served annually at our campuses in South Portland and Brunswick, online and at community satellite centers across southern Maine.

The data in this section looks at all **credit students enrolled in the Fall of 2017**, including both degree-seeking and non-degree seeking students, unless otherwise noted.

Individuals Served (credit & non-credit students)

Students & FTEs* Per Year

*Full-time Equivalent (FTEs) students is a metric for measuring credit enrollment. It is calculated by taking the total number of student credit hours and dividing by 15, which is an average full-time credit load.

ACADEMICS & OFFERINGS

SMCC has more than 40 academic programs in trade and technical fields, as well as in the arts and sciences, that prepare students for careers or for transfer to colleges and universities to continue their education. We offer students hands-on learning led by faculty who work in their fields and have established partnerships with businesses and community leaders.

The data in this section is **from Fall 2017**, unless otherwise noted.

SMCC Academic Divisions & Departments

All of SMCC’s academic programs and departments are organized into 5 major divisions.

SMCC Locations

South Portland Campus - 2 Fort Road, South Portland, ME 04106

Our South Portland Campus is located on one of the most picturesque points on the Maine coast overlooking Casco Bay. With more than 40 degree programs and the latest technology and equipment, we have something for everyone. Outside of the classroom, students can enjoy beaches and oceanside trails, the islands of Casco Bay and all the offerings of nearby Portland.

Midcoast Campus - 29 Sewall Street, Brunswick, ME 04011

Our high-tech Midcoast Campus is located at Brunswick Landing, the former Brunswick Naval Air Station. Here, you have access to personalized services and a varied selection of in-demand programs and courses. Additionally, our Midcoast Campus offers state-of-the-art classrooms and laboratories, a residence hall, dining facilities and more.

Community Satellite Locations - Biddeford, Bonny Eagle, Casco/Naples, Gray/New Gloucester, Portland, Saco/Pease Valley, Windham

Whether you’re working toward a degree or just looking to take a class, our community satellite locations offer affordable classes at flexible times to fit your schedule.

Student Success Services

ADVISING

Incoming students are required to attend a group New Student Orientation & Advising session to plan and prepare for their first semester. Once students are registered for their first semester they are assigned a faculty advisor to discuss course selection and degree requirements. Students are also able to access walk-in advising services with staff through the Advising Office.

CAREER SERVICES

Career Services assists with job searches, career planning, resume development, job fair preparation and more. Career Services is one of the first stops you should make at SMCC to explore possible career goals and what educational pathways you need to take to reach them.

COUNSELING SERVICES

SMCC recognizes the importance of personal counseling to assist students in balancing their academic needs with problems or concerns of a personal, family-related or job-related nature. An on-campus licensed counselor provides short-term counseling services to students free of charge. Confidentiality is maintained throughout the process, and referrals for other community services are provided as needed. The support provided is personal, instructive and makes use of up-to-date technologies, information and resources.

DISABILITY SERVICES

SMCC is committed to helping qualified students with disabilities achieve their individual educational goals. Upon request and verification of the disability, the College will provide service coordination and reasonable accommodations to remediate the competitive disadvantage that a disability can create in the educational setting.

FINANCIAL AID

SMCC is committed to helping our students and families with finding affordable ways to finance their college education. All students are encouraged to apply for financial aid. Many of our students receive assistance in the form of grants and scholarships, loans and employment opportunities.

TRANSFER SERVICES

At SMCC you can start your education and then transfer to a four-year college upon graduation and earn your bachelor's degree for less. Transfer Services can help you determine what major to enroll in based on your desired degree, explore seamless transfer agreements, plan the steps you need to take to transfer and prepare for on-campus visits from four-year colleges and universities.

Student Academic Services & Resources

In 2017-2018:

LEARNING COMMONS

The Learning Commons at SMCC integrates the Library, Tutoring and the Writing Center in an active learning space. It offers students the resources and expertise they need to enhance their learning outside of the classroom to reach their academic goals.

The Library

The Library provides students with a strong and evolving collection of on-site books and periodicals, online access to the collections of libraries throughout the state of Maine, and a growing collection of electronic books, encyclopedias, journals, magazines and newspapers.

Tutoring & The Writing Center

Tutoring Services provide professional and peer tutoring in math, chemistry, physics, writing, English, computer applications, autoCAD and other subjects. Tutoring also offers assistance with test-taking, study skills and other academic success strategies. The Writing Center offers one-on-one writing assistance, drop-in workshops, citation guides and additional resources. The Learning Commons also offers students access to online tutoring and writing services.

WISH Workshops

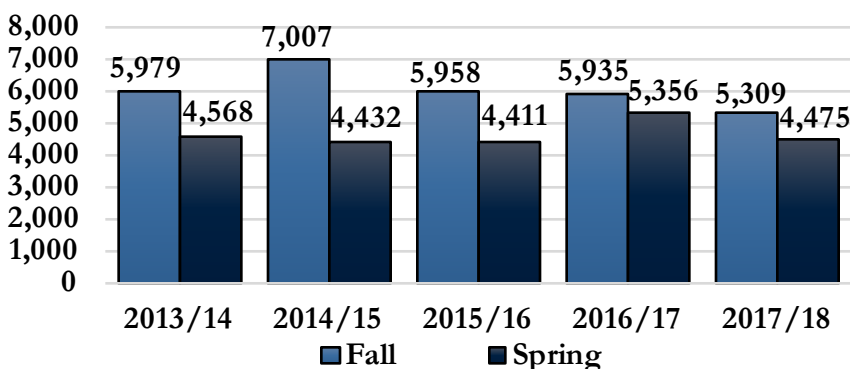

All SMCC students are enrolled in a free Blackboard course called “WISH-My Study Skills” which includes four modules with videos, quizzes and printable certificates. The aim is to give students practical steps they can take to succeed in the classroom and in college. The topics covered are time management, note-taking and reading methods, study skills and test taking. Students are also welcome to request a one-on-one consultation covering WISH topics with a Learning Commons tutor.

Library Usage	Fall 2017	Spring 2018

MY MAINE GUIDE

My Maine Guide is an online guide full of great resources for students to help them be successful. The guide has 6 sections: My Degree, My Courses, My Career & Transfer, My Money, My Learning and My Student Life.

COMPUTER RESOURCES

Students have access to over 700 computers including open student labs located in the Learning Commons and the Ross Technology Center.

Student Life

ATHLETICS

SMCC's seven sports teams are members of the United States Collegiate Athletic Association (USCAA) and the Yankee Small College Conference (YSCC), the New England regional league of the USCAA.

SMCC SeaWolves Athletics Teams:

Men's

- Baseball
- Basketball
- Soccer

Women's

- Softball
- Basketball
- Soccer

Co-Ed

- Golf

CENTER FOR STUDENT INVOLVEMENT & LEADERSHIP (CeSIL)

SMCC strives to keep students engaged inside and outside the classroom to help them grow, build connections and develop lifelong friends and mentors. CeSIL is the student connection to student organizations, campus activities, community service and leadership opportunities.

- Art Club
- Beacon Student Newspaper

- Rainbow League
- Southern Poverty Law Center on Campus
- Student Senate

FITNESS CENTER AND RECREATION

The College maintains a fitness center in the Hutchinson Union Building (HUB) with a full assortment of exercise and weight training equipment. The HUB also offers recreational, wellness and intramural programs.

HOUSING

SMCC offers a unique opportunity for its students to live on campus. Living on campus adds to their overall experience and presents further opportunities to form lasting friendships. SMCC has two residence halls on its South Portland Campus, Spring Point Hall and Surfside Hall, and one residence hall on its Midcoast Campus in Brunswick, Orion Hall.

NON-CREDIT OFFERINGS

In addition to our credit courses and programs, SMCC has a variety of non-credit offerings to support workforce training, professional skill building and personal enrichment. SMCC serves thousands of people each year through our Continuing Studies courses, contract training with employers and the Maine Fire Service Institute.

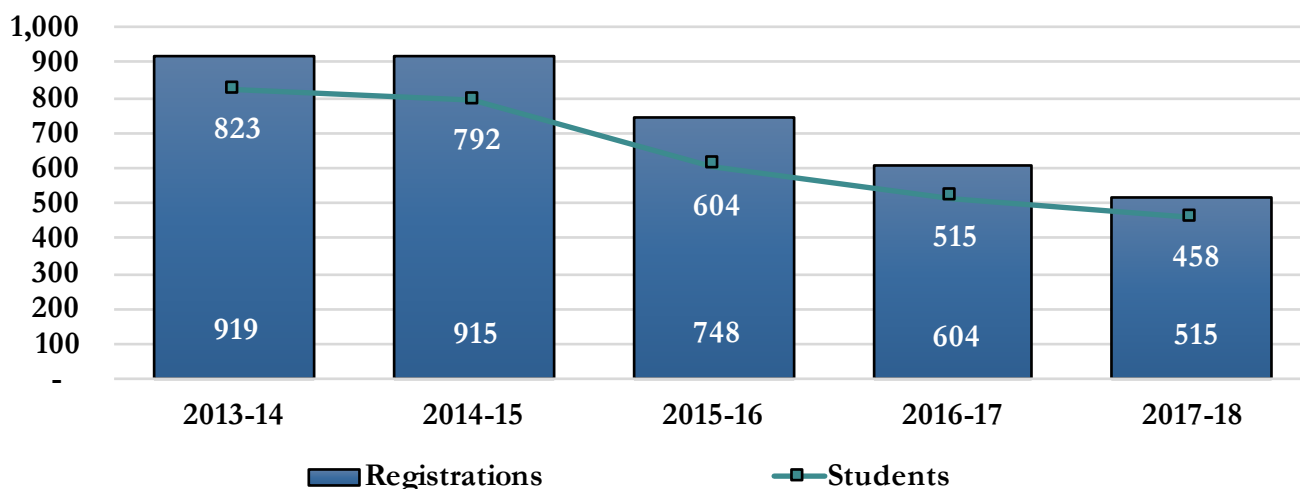

The data in this section looks at all **non-credit students enrolled in the Fall of 2017**, unless otherwise noted.

FINANCES

The bulk of SMCC’s revenues comes from state appropriations and tuition & fees, with additional funding from grants, contracts and other sources. State appropriations have remained relatively flat in recent years, while revenues from tuition & fees have declined. In real dollars, SMCC’s tuition has gone down.

The data in this section is **from Fall 2017**, unless otherwise noted.
