

REGISTER TODAY FOR SMCC'S Leadership Academy

What is Leadership Academy?

A professional development opportunity for leaders and future leaders working for businesses and organizations.

Who should participate?

Leadership Academy is designed for people in supervisory or management roles who are currently leaders or will be future leaders in their workplaces.

What does Leadership Academy offer participants?

Participants will learn skills that are essential for professional and leadership development.

The academy teaches:

- Leadership and management with a strengths-based focus
- Leadership awareness
- Leadership communication
- Driving employee engagement
- Fostering collaboration and managing conflict
- Talent management and performance systems
- Focusing on outcomes and business acumen
- Resiliency and stress management
- Action planning

How much time is involved?

Leadership Academy is an in-depth professional development program. The academy includes multiple half-day workshops for a total of **49 hours** of training.

The program features:

- Small-group interaction
- Role-playing
- Hands-on activities
- Real-world scenarios
- Innovative collaboration
- Fostering ideas

Where is Leadership Academy held?

Leadership Academy is held on Southern Maine Community College's Midcoast Campus.

Who teaches Leadership Academy?

Leadership Academy is taught by Faith York, a dynamic professional skilled at blending best practices in business and behavior management with outstanding instructional design to create effective programs that make a difference. She has more than a decade of experience in planning, developing and administering staff training programs and systems.
