

EARN WHILE YOU LEARN!

Medical Assistant Apprenticeship Opportunity

The Medical Assistant Apprenticeship is an exciting new collaboration between Maine Medical Partners, Southern Maine Health Care, MaineHealth, and Southern Maine Community College.

Become a Medical Assistant in just 12 months while working part time honing your skills in a physician practice!

This all-expense paid, accelerated program will provide you with paid, on-the-job training and mastery of MA skills learned in the classroom.

Participants will work part time in one of the following physician practices while attending class at SMCC, perform their externship hours, & prepare to take their CMA or RMA exam upon completion of the program.

Southern Maine Health Care Practices:

- Biddeford Internal Medicine
- Kennebunk Family Medicine
- Kennebunk Internal Medicine
- Women's Health
- Saco Family Medicine
- Sanford Family Medicine

Maine Medical Partners Practices in the Greater Portland Area

- Primary Care
- Pediatrics
- Specialty Care
