

Transfer Agreements at SMCC

Dear Student,

If you want to earn a bachelor's degree for less, you can save thousands of dollars by starting at SMCC before transferring to a four-year college or university. Our transfer agreements will put you on the right path.

These agreements allow you to pre-plan your college careers so you can avoid taking unneeded credits and spending money on courses that won't count toward a bachelor's degree.

We have transfer agreements with the University of Maine, the University of Southern Maine, the University of New England, Saint Joseph's College and elsewhere in Maine. If you're interested in out-of-state schools, we can simplify your transfer to places such as Johnson & Wales, Southern New Hampshire University, Smith, Wellesley, Mount Holyoke College and more.

If you want to continue your education after graduating from SMCC, our transfer agreements will help get you there.

Start smart at SMCC by avoiding debt and getting the skills and support you need to continue your education through one of our seamless transfer agreements. Then finish strong by getting a four-year degree and earning over \$1 million more over your lifetime. We are here to help you succeed.

Joe Cassidy

President of SMCC

For more information about this specific transfer agreement please view the additional pages in this document.

Please note: These agreements are frequently renewed and may at times be under renewal. If you have any questions or concerns, please contact our **Advising Office** at **207-741-5835** or **transfer@smccME.edu**.

We are here to help your succeed.

Mount Holyoke

Nontraditional Age Students

The [Frances Perkins Program](#) at Mount Holyoke College is a specially designed program for women of nontraditional age who wish to complete the requirements for a bachelor of arts degree. The Frances Perkins Program enables a woman who is 25 years or older to earn a first-rate degree that meets all the requirements of the undergraduate program and offers full- or part-time (two courses) schedules.

The admission process is similar to the process for traditionally aged transfer students, with a few differences. The Frances Perkins Steering Committee takes into consideration many factors, including recent evidence of success in liberal arts courses, work and volunteer experience, and personal qualities such as curiosity and motivation.
