

Transfer Agreements at SMCC

Dear Student,

If you want to earn a bachelor's degree for less, you can save thousands of dollars by starting at SMCC before transferring to a four-year college or university. Our transfer agreements will put you on the right path.

These agreements allow you to pre-plan your college careers so you can avoid taking unneeded credits and spending money on courses that won't count toward a bachelor's degree.

We have transfer agreements with the University of Maine, the University of Southern Maine, the University of New England, Saint Joseph's College and elsewhere in Maine. If you're interested in out-of-state schools, we can simplify your transfer to places such as Johnson & Wales, Southern New Hampshire University, Smith, Wellesley, Mount Holyoke College and more.

If you want to continue your education after graduating from SMCC, our transfer agreements will help get you there.

Start smart at SMCC by avoiding debt and getting the skills and support you need to continue your education through one of our seamless transfer agreements. Then finish strong by getting a four-year degree and earning over \$1 million more over your lifetime. We are here to help you succeed.

Joe Cassidy

President of SMCC

For more information about this specific transfer agreement please view the additional pages in this document.

Please note: These agreements are frequently renewed and may at times be under renewal. If you have any questions or concerns, please contact our **Advising Office** at **207-741-5835** or **transfer@smccME.edu**.

We are here to help your succeed.

Davis Degree Program and Postbaccalaureate Study Program

Davis Degree Program

The Davis Degree Program gives women beyond traditional college age the opportunity to participate fully in a Wellesley College education. Davis Scholars are integrated into the Wellesley community. They take the same classes as other students, participate in the same organizations and activities, and, if they choose, live on campus along with students of traditional college age. Their diverse backgrounds, experiences and perspectives enrich the lives of the whole student body. Davis Scholars are also a community unto themselves and often form special bonds with others in the program.

There are currently over fifty students enrolled in the program, some fulltime, some part-time; they generally take from two to four years (or more) to complete the bachelor's degree. The program takes into consideration the needs of adult students regarding admission, orientation, activities, and housing. Davis Scholars have the option of living in special residence halls ([Cedar Lodge](#) and [Homestead](#)), and both resident and commuting students gather together at the [Continuing Education House](#).

The education of nontraditional students at Wellesley College began in 1971. In 1991, on its twentieth anniversary, the Continuing Education Program was renamed for Elisabeth Kaiser (Lib) Davis '32 in recognition of her family's generous financial gift to the College. A substantial portion of this gift was designated for student financial aid and the renovation of housing for Davis Scholars. Over 800 alumnae have graduated from the Continuing Education/Davis Degree Program at Wellesley since the program began.
