

Transfer Agreements at SMCC

Dear Student,

If you want to earn a bachelor's degree for less, you can save thousands of dollars by starting at SMCC before transferring to a four-year college or university. Our transfer agreements will put you on the right path.

These agreements allow you to pre-plan your college careers so you can avoid taking unneeded credits and spending money on courses that won't count toward a bachelor's degree.

We have transfer agreements with the University of Maine, the University of Southern Maine, the University of New England, Saint Joseph's College and elsewhere in Maine. If you're interested in out-of-state schools, we can simplify your transfer to places such as Johnson & Wales, Southern New Hampshire University, Smith, Wellesley, Mount Holyoke College and more.

If you want to continue your education after graduating from SMCC, our transfer agreements will help get you there.

Start smart at SMCC by avoiding debt and getting the skills and support you need to continue your education through one of our seamless transfer agreements. Then finish strong by getting a four-year degree and earning over \$1 million more over your lifetime. We are here to help you succeed.

Joe Cassidy

President of SMCC

For more information about this specific transfer agreement please view the additional pages in this document.

Please note: These agreements are frequently renewed and may at times be under renewal. If you have any questions or concerns, please contact our **Career and Transfer Office** at **207-741-5835** or **transfer@smccME.edu**.

We are here to help your succeed.

Statement of Purpose

Southern Maine Community College (SMCC) and Southern New Hampshire University (SNHU) have entered into this transfer articulation agreement. The purpose of this agreement is to facilitate student academic transfer and provide a smooth transition from a two-year community college to a university. It is recognized that this agreement shall describe the required program of study at SMCC for admission eligibility to SNHU and the Baccalaureate Degree Program indicated.

Terms and Conditions of Academic Credit Transfer

To: Bachelor of Science in Technical Management

(Name of SNHU Academic Program/Degree)

From: Associate of Applied Science in Paramedicine

(Name of SMCC Academic Program/Degree)

The evaluation and transfer of earned college credits shall be in compliance with state and federal education policies and institutional and academic program accreditation standards pertaining to undergraduate academic transfer. Current students and graduates who have earned degrees from Southern Maine Community College shall be eligible for credit evaluation under the terms of this agreement.

Transfer students will be accorded the same standards and criteria for admission to a major degree sequence as SNHU students. All applicants accepted to SNHU's Baccalaureate programs must fulfill the graduation requirements of the granting institution as identified in Appendix A & B.

- * Appendix A Contains Admission & Graduation Requirements of the Receiving Institution
- * Appendix B Contains Side By Side Course Equivalency Tables for the academic programs listed above

Articulation Implementation and Agreement Review

The Chief Academic Officer designee of *the collaborating institutions* shall be responsible for implementing this agreement, for identifying and incorporating any changes into subsequent agreements providing academic updates as they occur, and for conducting a *periodic review of this agreement*.

Signatures to This Agreement

This agreement becomes effective November 2009 and will be reviewed in November 2012 for renewal discussion.

Southern New Hampshire University

..... **APPENDIX A**

This agreement includes specific requirements for admission into a program, outlines requirements, and indicates which degree or diploma can be used to meet program prerequisites as well as general education, major or program, and graduation requirements.

Admissions requirements:

For College of Continuing Education applicants: Students must submit an application form, an official final high school transcript and official transcripts from all colleges and universities previously attended.

Requirements for the Bachelor of Science in Technical Management

Students must take 30 credits from SNHU for academic residency and at least 12 credits from SNHU in the major. Students must also complete two courses from SNHU identified as "Global Marker" courses. These courses may also fulfill other SNHU degree requirements.
