Interested in earning a four-year degree for less? Start at SMCC where you can earn a two-year degree while saving thousands of dollars. Then choose the four-year college or university you want to attend and we’ll help you get there.

Seamless Transfer Options
Take advantage of our seamless transfer options to numerous degree programs at well-known colleges & universities made possible with Transfer Articulation Agreements. Transfer agreements are partnerships between SMCC and various four-year institutions that provide an outline of the courses that will transfer toward a specific bachelor's degree at those colleges and universities.

Additional Transfer Opportunities
While some students choose to attend SMCC, graduate and transfer using a transfer articulation agreement, others simply choose to take a few classes that can easily transfer somewhere else. SMCC students have transferred credits and completed their four-year degrees at over 50 leading institutions.
